BOTO-X

HAIR TREATMENT

DIRECTION FOR USE:

Orivera Hair Botox Treatment is a Intense treatment that softens smoothes and straighten. Restore the health of hair and get incredible natural smoothing and shine. The result can last for 3 months. It works on all types of hair.

APPLICATION:

1. Wash and massage on the hair with Orivera Hair Botox Clarifying Shampoo Pre-Treatment to 1 times, let it work on for a while and rinse. Blow the hair up to 100% dry.
2. Divide the hair into sections and apply the Orivera Hair Botox Treatment with brush evenly. Comb and massage the product into each section of the hair to ensure maximum penetration. It is important not to use too much of the product. The average amount is 45ml to 60ml.

ATTENTION: Do not apply the Hair Botox treatment directly on the Scalp. Gloves are asked for this application.3. Once the Hair Botox has been applied all over, remove any excess product using a fine tail comb several times on each layer, 100% Blow-dry the hair thoroughly with a comb.

4. Section and straighten the hair with a FLAT IRON that can reach 230 C, going over each section 4 to 6 times. Temperature should be adjusted according to the condition of the hair.
5. After 3 days, wash the hair with the Orivera Hair Repair Shampoo And Conditioner. to reserve and extend the effects of the treatment.

Le TRAITEMENT Hair Botox Orivera est un soin Intense qui adoucit, lisse et lisse. Restaurez la santé des cheveux et obtenez un lissage et une brillance naturels incroyables. Le résultat peut durer 3 mois. Il fonctionne sur tous les types de cheveux.

APPLICATION

1. Laver et masser les cheveux avec Orivera Hair Botox Clarifiant Shampooing Pre-traitement à 2-3 fois, laisser agir pendant un certain temps et rincer. Soufflez les cheveux jusqu'à 100% sec.
2. Divisez les cheveux en sections et appliquez le Orivera Botox Traitement avec une brosse uniformément. Peignez et massez le produit dans chaque section des cheveux pour assurer une pénétration maximale. Il est important de ne pas trop utiliser le produit. Le montant moyen est 45 ml à 60 ml.
